Dear M.T.O. Shahmaghsoudi Denver Center,

Thank you for your exemplary service in providing critical personal protective equipment for Christian Living Communities.

The Board of Directors of Christian Living Communities reached out to me in desperate need of PPE. With COVID-19 cases spiking and senior residential facilities becoming hotspots across the nation, Christian Living Communities knew they had to be proactive in protecting their residents and staff.

M.T.O. Shahmaghsoudi Denver stepped up to help these community members by offering your time and skill to hand craft PPE. CLC leadership, my staff, and I were shocked to see a full truck of boxes, including; masks, face shields, gowns, and shoe covers, ready for donation. Your actions will undoubtedly save lives.

M.T.O. Shahmaghsoudi Denver exemplifies how strong we can be when our communities come together. As the State Representative of House District 2, I am eternally grateful for your selflessness and your dedication to helping the less fortunate weather this pandemic.

Thank you for your efforts on behalf of Christian Living Communities, as well as all of the great work you are doing across Colorado, the United States, and the globe.

Sincerely,

Alec Garnett
Majority Leader of the Colorado House of Representatives
