Letter of Recognition

Maktab Tarighat Oveyssi Shahmaghsoudi School of Islamic Sufism – Toronto Centre

I commend the tireless efforts of the Maktab Tarighat Oveyssi (MTO) Shahmaghsoudi School of Islamic Sufism – Toronto Centre.

Members and volunteers of MTO Shahmaghsoudi have been doing their part in helping neighbourhood food banks keep their doors open during the COVID-19 pandemic. They have been doing this at a time when the services of the food banks are most needed by countless families and individuals.

Throughout this dangerous and challenging period, the organization has been going around Scarborough Centre dropping off donations of much needed food supplies and other items to the various food banks operating in the area.

The organization is doing a great service to the community. The actions MTO Shahmaghsoudi members and volunteers and their concern for the general public are very much appreciated.

I encourage the MTO Shahmaghsoudi to keep up this excellent work and wish the organization all the best in its future endeavours.

Yours sincerely,

Salma Zahid, M.P.
