

MTO Shahmaghsoudi

As your Member of Parliament for Saint-Léonard—Saint-Michel, I wish to congratulate you on your precious contribution to our community.

Personal Protective Equipment Donation

September 4th, 2020

It was a pleasure to join you in distributing Personal Protective Equipment, food and cleaning supplies to citizens. COVID-19 has been a challenge for Canadians, and I am proud to see organizations such as MTO Shahmaghsoudi respond to this crisis by showing solidarity to our most vulnerable citizens. Thank you for your commitment to make Saint-Léonard—Saint-Michel a better place for us all.
